

## Template For Extended Abstract Submission. Advanced Research Project

**Area:** *Look in submission guidelines for option*

**Title:**

**Authors:**

**Affiliation:**

**Contact:** *(Presenting Author)*

### **Extended Abstract:**

This should be no more than 1000 words and should be a brief summary of your research. You are suggested to incorporate the following details in your abstract:

#### **Research Objective**

This should include an explanation of:

- why your topic is worth researching
- your research question(s) and/or hypotheses
- expected outcomes and contribution to knowledge

#### **Conceptual framework and related literature**

This should cover:

- existing research and its relevance for your topic
- relevant theoretical perspective or perspectives
- key ideas or constructs in your approach
- your research stance or philosophy

#### **Research methodology Including Data Collection**

- Discussion on research methodology and the approach to the problem.
- This should discuss on the process of data collection and any issues related to same.
- For the **ARP paper**, you are expected to go a step further and discuss analysis and reporting of the finding

#### **Conclusions**

Here you should indicate

- proposed next steps in your research
- any limitations in your research
- potential directions for future research.

#### **References (Not Included in 1000 word limit)**

These will be the key references cited in the body of your paper.

**Formatting Guidelines:**

Margin: 2.5 cm or 1 inch

Font: Times New Roman, 12 Points

Line Spacing: 1.5
